Some boys came near wrecking the F. F. V. on the C. and O. by placing spikes and cinders on the track near Ceredo to make coal cars, in passing over them, shake off coal. Just before the arrival of the fast train they were noticed by a man passing along the track and he removed the obstructions. Three Ceredo youths have been arrested charged with the deed.

Last evening between 7 and 8 o'clock a fire originated at the home of Mr. Douglas McDowell in West Third street that for a time threatened an entire row of buildings. A burning lamp hanging on the kitchen wall fell from its fastening, and when an endeavor was made to suppress the blaze by throwing a mat over it the lamp exploded, and a flame of fire spread in all directions and beyond control of those present. To the prompt response and efficient work of the Fire Department is due the credit of confining the fire to its single quarters. Mr. Thomas Hennagan, cousin of Mrs. McDowell, who is critically ill, occupied a room directly over the one in which the fire started. He was removed to the home of Mr. Henry Ort, two doors west. Mr. McDowell sustained considerable loss by both fire and water. Others who were damaged, principally by water, were Messrs. Cullen, Bridges, McCarthy and Ort, and fortunately all are fully insured.

Those who will "travel with Lyman H. Then, too, they will see a battleship in action from the fighting top and pass through a big steel plant to watch the making of big guns. Interspersed with these scenes are numerous others of a humorous nature—not of the clapper-trap kind—but real comedy.

Dr. Pierce's Favorite Prescription

Is the best of all medicines for the cure of diseases, disorders and weaknesses peculiar to women. It is the only preparation of its kind devised by a regularly graduated physician—an experienced and skilled specialist in the diseases of women.

It is a safe medicine in any condition of the system. THE ONE REMEDY which contains no alcohol and no injurious habit-forming drugs and which creates no craving for such stimulants.

THE ONE REMEDY so good that its makers are not afraid to print its every ingredient on each outside bottle-wrapper and attest to the truthfulness of the same under oath.

It is sold by medicine dealers everywhere, and any dealer who hasn't it can get it. Don't take a substitute of unknown composition for this medicine of known composition. No counterfeit is as good as the genuine and the druggist who says something else is "just as good as Dr. Pierce's" is either mistaken or is trying to deceive you for his own selfish benefit. Such a man is not to be trusted. He is trifling with your most priceless possession—your health—may be your life itself. See that you get what you ask for.

Deafness Cannot be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

JOHN W. PORTER, FUNERAL DIRECTOR.

17 East Second St., MAYSVILLE, KY.

TO THE TOBACCO GROWERS OF KENTUCKY AND OHIO.

We are building in Maysville and will have complete in time for the sale of this crop of tobacco, ONE OF THE LARGEST, BEST EQUIPPED AND MOST CONVENIENT WAREHOUSES FOR THE LOOSE SALE OF TOBACCO IN THE WORLD.

We have christened this warehouse "The Tuck-ih-o," in honor of the two States, Kentucky and Ohio, and without criticizing any other system or practice of selling tobacco, we take this means of extending to every tobacco grower in the two States a cordial and generous invitation to come to see us at our warehouse, examine our way of doing business, and above all, study the system of selling tobacco in this way.

It has seemed to us that this system of selling tobacco would commend itself to the farmers. WE BELIEVE IT WILL. But let us be understood once for all time.

As above stated, we are not here to criticize or condemn any other system or manner of selling tobacco. We know this system. It is the method of selling the crop in Virginia, North Carolina, and South Carolina, and gives better satisfaction in those States than any other. It is our purpose to give every convenience and advantage at this warehouse. We want you to come to see us there and after carefully examining our business and methods, if you are not satisfied that this system is the best for you, then it is your privilege to condemn it, but before doing so let us ask you to give it careful, thoughtful and intelligent consideration. IF THIS IS DONE WE HAVE NO FEAR OF THE RESULTS.

WE EXPECT TO BUILD UP OUR BUSINESS BY STRAIGHTFORWARD, LEGITIMATE METHODS. We expect the indorsement of the public only after we have proven that we merit it. WE KNOW THAT A BUSINESS BUILT ON ANY OTHER FOUNDATION WILL NOT STAND WHEN THE TEST COMES. Careful, thoughtful and intelligent investigation we know will result in approval of our business methods and the establishment of harmonious relations that will prove a blessing to all.

We have absolute assurance that buyers representing the largest manufacturers and dealers in the world will be represented in Maysville, AND WE GUARANTEE THAT FARMERS SELLING WITH US SHALL HAVE THE HIGHEST MARKET VALUE FOR THEIR TOBACCO AND THE QUICKEST POSSIBLE RETURNS.

M. E. CONFERENCE

Eighty-Third Session Now Being
Held in This City

Friday was a very busy day with the Kentucky Conference, beginning at 8:30 a. m., at which time Bishop Wilson again lead the devotional service. He read the 21st Chapter of St. John as a basis for his remarks. His exhortation was chiefly for a spirit of gentleness and tactfulness in our Christian lives.

The business was begun with the reading of the Journal for the previous day, which, after corrections, was approved.

A telegram was received from the Convention of the Christian Church, in session at Lexington, conveying greetings. On motion, the Secretary was instructed to reply in like manner.

A Board of Conference Visitors was appointed to visit the Elizabeth Gamble Deaconess Home at Cincinnati. The committee follows: Rev. John J. Wean, John Buckingham, Harold Means, J. M. Robinson and Joshua P. Shaw. The expenses of this committee are provided for by the conference. Rev. J. E. Williams of Covington was appointed Financial Secretary of Taylor University, Upland, Indiana.

Rev. D. W. Brown passed in the studies of the fourth year, admitted with full connection and elected to Elder's orders, a thing that does not occur very often in a Methodist Conference.

The following were introduced to the Conference during the day: R. T. Miller, L. L. D. of Cincinnati; Rev. U. A. Robinson, Corresponding Secretary of the Elizabeth Gamble Deaconess Home Association of Cincinnati, and Mrs. Anna A. Sandige, Field Worker for the same institution; Dr. John H. Race, President of Grant University, Chattanooga, Tenn.; Rev. Charles H. York of the M. E. Church, South; Rev. C. F. Kramer of the Central German Conference, and John E. Buckingham, Treasurer of the Sandy Valley Seminary.

Rev. F. W. Harrop was granted the floor during the morning session and on behalf of the members of the Conference, presented to Dr. J. D. Walsh a purse of gold containing \$50. The gift was accepted by Dr. Walsh in a very graceful and appreciative speech. Bishop Wilson said he was proud to be associated with a Conference in which such a brotherly spirit was manifest. Rev. W. H. Morris was added to the Board of Examiners.

A meeting for the organization of the Laymen of the Conference into a Laymen's Association was called at the First Presbyterian Church at 10 a. m. A. M. Decker of Barbourville was made Temporary Chairman and John Venn of Ludlow, Secretary. On motion a committee was appointed on permanent organization. This committee retired and in a few minutes brought in a report which follows:

President—John A. Johnson, Covington.
Vice-Presidents—Ashland District, Harold Means; Covington District, John Venn; Louisville District, A. L. Bennett; Lexington District, A. M. Decker.
Secretary—J. H. Richardson, Maysville.
Treasurer—J. F. Shaw, Lexington.

A Committee on a Constitution and By-Laws reported and their report was adopted.
President John H. Race of Chattanooga addressed the Laymen, assuring them of the good a Laymen's Association could do in pushing the work of the Church.

At 11 a. m. Bishop Wilson addressed the class to be received into full connection. The following compose the class: W. H. Morris, H. W. Buntin, H. D. Cooper, Wade H. Muncy, James B. Jones and D. W. Brown. The Bishop's charge to the class was conceded to be the most impressive ever heard by the Kentucky Conference. He spoke for an hour and fifteen minutes and the audience sat spellbound under the wonderful power of his message to the young men in the class. The Bishop is winning a high place in the estimation of the Conference.

The following were admitted into the Conference on trial: J. Spencer Stiegleton, Amos

Shinkle Godby, J. T. Martin, J. B. Cayton, E. B. Hull and W. R. Hunt.

At 2:30 p. m. was the anniversary of the Board of Education. Rev. F. T. Kelley presided. Addresses were made by Presidents John H. Race of Grant University and J. W. Easley of Union College and Prof. J. P. Faulkner of Union College Faculty.

The evening service was in the interest of the Preacher's Relief Association. Dr. J. D. Walsh presided.

A solo by Dr. J. I. Wean and a male quartette added much to the interest of the service. Dr. R. T. Miller, Treasurer, read yearly report of the Association, which showed the magnificent work being done for the veterans of the Kentucky Conference. The address of the evening was given by Rev. J. D. Hitchcock of Barbourville and was an eloquent presentation of the subject of the evening. At the close of the address a subscription of \$500 was taken for the Association, and an offer of \$250 more on condition that the Conference raise an equal amount during the year.

It was ordered by the Conference that all collections taken during the coming year for the American Bible Society go toward the fund that is being raised by that Society to meet the offer of Mrs. Russell Sage of \$500,000 if the Society would raise a like amount.

Bishop Wilson, being National President of the Anti-Saloon League, was invited to address the Conference at 11:15 a. m. today on that great work. He consented, on condition that his voice was in condition to speak well.

Mr. D. W. Clark and wife of Barbourville arrived yesterday. Mr. Clark is Editor of The Mountain Review of that city. He was a delegate to the Laymen's meeting.

The anniversary of the Board of Foreign Missions will be held this evening at 7:15 o'clock. Rev. L. A. Core of India will deliver the address and Rev. S. M. Carrier will preside.

The pulpits of the Churches of Maysville will be occupied tomorrow by Ministers of the Conference as follows:

First Presbyterian—Morning, Dr. G. V. Morris; night, Dr. Thomas N. Hanford.

P. Faulkner; 7:15 p. m., Anniversary of Board of Sunday-schools, the Rev. A. P. Smith presiding, with address by the Rev. David G. Downey, D. D., of Chicago.

Women Suffer

much needless pain when they delay using Cardui for their female troubles. Cardui has been found to relieve headache, backache, pain in the side and dizziness arising from deranged organs. It does more than relieve,—if used persistently,—many have written to say that it cured them.

TAKE **CARDUI**

It Will Help You

Mrs. Maxwell Johnson, Tampa, Fla., writes: "Cardui cured me after doctors and everything else had failed. I had been suffering with numb spells ever since I was 16 years old. One day I decided to take Cardui. I have now taken 5 bottles and I can say that it has cured me. I advise all suffering women to give Cardui a long and fair trial."

Mrs. Johnson suffered years. Have you? Do you wish to? But why suffer at all? Take Cardui. Give it a fair trial.

BAKING POWDER PROOF!

It is an easy matter to determine the relative merits of baking powders by testing them yourself. When baking use Chenoweth's Baking Powder in half the baking and mark it so that you can identify afterwards. Do the same with any other good powder in the other half and notice the results. If you don't think Chenoweth's Baking Powder is best now, you will have no doubt of it after putting it to a practical test.

EVER HAVE IT?

If You Have, the Statement of This Maysville Citizen Will Interest You

Ever have a "low-down" pain in the back? In the "small," right over the hips? That's the home of backache. It's caused by sick kidneys. That's why Doan's Kidney Pills cure it. Maysville people endorse this. Read a case of it:

Frederick Drael, 1238 East Second street, Maysville, Ky., says:

"I consider Doan's Kidney Pills to be a most excellent remedy for kidney trouble and am only too glad to speak in their praise. About five years ago I was bothered by weak kidneys and the secretions were scanty and attended with pain during passage. Severe pains across the small of my back were frequent and at times greatly interfered with my work. While telling a friend of my condition, he advised me to use Doan's Kidney Pills and I procured a box at J. J. Wood & Son's Drugstore. I used them according to directions and they afforded me prompt and effective relief."
